## ORDER FORM - Page 2: PATERNAL family

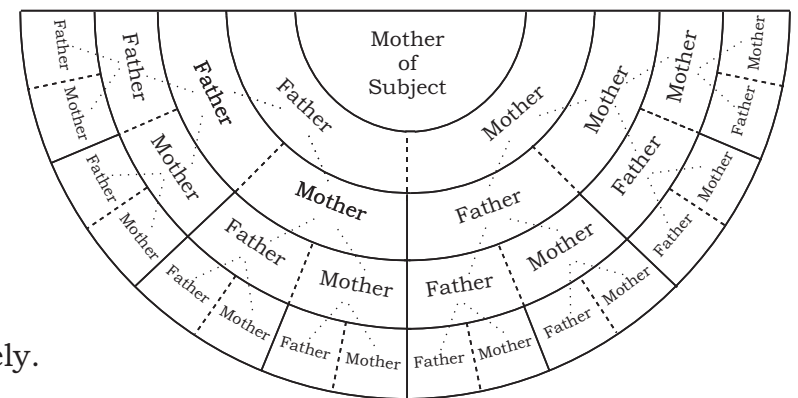

Fill in the chart below with the paternal ancestors of your subject. Include full name, nicknames, birth/christening date & place, marriage date & place, death/burial date & place. List women by their maiden name. We will make every effort to include all the info you provide. Few people will have enough info to fill the chart completely.

Placement Guide

A large, blank semi-circular chart with four concentric rings, identical in structure to the placement guide. The innermost ring is empty. The second ring has two empty segments. The third ring has four empty segments. The outermost ring has eight empty segments. Dotted lines indicate the connections between segments in adjacent rings.
